

Facilities Restructuring Plan Priorities

Approved by the Board of Trustees on March 10, 2015

The following represents the Facility Priorities in the Livingstone Range School Division. The order of these priorities is based on a facility study that was completed back in the year 2000. The Board has focused on community solutions vs. a school by school solution and this will continue to be the practice.

The following list of priorities will continue to follow the originally established order however additional steps will be taken to ensure the pre-established needs will be confirmed or updated to the current needs of the community.
