Click on PowerSource. If you are having issues logging in please contact Karen Woynarowsky (woynarowskyk@lrzd.ab.ca) to reactivate your login.

From the PowerSource home page you should see the "PowerTeacher" tab, if you select the "Training" tab there are Distance Learning opportunities-these vary in length, usually they are about one hour. The "Mastery in Minutes" are short little videos, 3-6 minutes in length, that focus on a certain subject. You can also use the "Search Site" field.
