

So many Ideas to help you Rock Your Mocs!

1. **PRIZES!** Do a classroom or school wide draw for students (or staff) that Rock their Mocs! (No mocs? Rock an 'alternative' such as slippers OR rock a turquoise ribbon)
2. **GAMES!** Play a Traditional Blackfoot Game (use sneakers if you don't have moccasins):

“Rock in the Moccasin: In this guessing game, a rock was placed in a moccasin. Another child would guess which moccasin held the rock. The score was kept much like in the handgames, with a set of sticks which were given with each correct guess. If the rock hider fooled the guesser, she would win a stick. If the guesser was correct, she would win a stick and then the turn to hide the rock would be hers. Songs often accompanied the playing of this game.”

3. **RIBBONS!** Rock a Tourquoise Ribbon instead! Create your own ribbon:

4. **DANCE!** Invite a First Nations dancer to talk about the meaning behind their moccasin and outfit designs. (This can be a parent or student).
5. **CREATE!** Research different types of moccasins- what type did Blackfoot people wear? (Mocassin Map- <http://www.nativetech.org/clothing/moccasin/mocmap.html>)
6. **SHARE!** Invite Elder Shirley Crow Shoe (Piikani) or Sandra Lamouche, FNMI Success Coordinator to share different beadwork and moccasin designs.
7. **CREATE & READ!** Check out U of L Curriculum Collection's Lesson Plans on Moccassin Patterns (Gr. 2), Making Moccasins (Gr. 6), and Resources such as "The Moccasin Goalie" or "Were did you get your Mocassins?".
