Employee Purchase for SACC Membership

TLD/London Drugs and Memory Lane computers are pleased to announce the Employee Purchase Plan that has been designed specifically for SACC employees.

We have a wide variety of PC computer configurations from names such as Apple, ASUS, Certified Data, Hewlett Packard, MSI, and Lenovo. You are not limited to specific models to receive their special pricing. For the term of this plan all Computer Department hardware (computers, monitors, printers and scanners) is available at our vendor preferred pricing on the initial purchase.

When a quote is created, it shall be calculated at the cost of the item plus 5% for the hardware items listed above (or, in the event that a sale price offered is lower, the lower of the two will always be charged). Please see the Computer Department Manager or Assistant Manager to obtain this special pricing.

Process:

1. Go to any one of two participating London Drugs or Memory Lane locations in Southern Alberta.
2. Our staff will ask you to produce your current SACC ID (school district employee card or ATA card) our staff will provide the employee with a system quote based upon the special pricing on the hardware commodities selected. All other computer products (software, accessories, etc.) will be quoted at the retails currently in effect.
3. Once you have made your decision contact the location to confirm when your order will be ready for pick up. Our staff will prepare your system and invoice you for the total amount of the sale with taxes. Payment (via cash, Debit Card, or Bank Card) will be due at pick up.
