

LRSD No. 68 School Fees

School Fees & Service Charges, Effective September 1, 2017

In accordance with the introduction of *Bill 1: An Act to Reduce School Fees* as well as the *School Fees and Cost Regulation*, there will be no schools fees charged to parents for Text Books, Work Books, Photocopying, Printing or Paper Supplies.

The Board of Trustees for the Livingstone Range School Division have gone one step further and eliminated the technology fee charged in years past.

The Board has also identified three areas of service provided by schools and parameters around charging fees for the service.

1) Basic Educational Services

No fee will be charged for services, supports and materials required for a student to successfully complete a prescribed program of instruction as defined in the Guide to Education. Examples may include in-class instruction and supports, handouts, textbooks, mandatory workbooks, paid electronic educational content and photocopying.

2) Enhanced Educational Services

Principals may assign fees for services, supports and materials that are not required for a student to successfully complete a prescribed program of instruction as defined in the Guide to Education. Examples may include curricular field trips, programs of choice, cultural activities, and options programming.

3) Non-curricular Services

Principals may assign fees for optional activities or materials that are outside of the educational mandate of the Division. Examples may include sports teams, clubs, agendas/student planners, yearbooks, and extended non-curricular trips.

All fees must be used for the purpose that was specified prior to being charged and collected on a cost recovery basis.
