

Enabling Greatness in Students

The Decision Is Yours Activity Guide For Teens helps students reflect on their everyday lives and develop skills to deal with life's most important decisions.

"My teacher gave me this book to work on in class; but I loved it so much, I asked if I could take it home! It really makes me think, but it's fun too."

- Anita, 16
Birmingham, MS

Six - 2' x 3' Posters

Challenge

How can you help students face critical life decisions?

How do you inspire students to prepare for the future?

Solution

Five short minutes can help your students succeed in and out of the classroom.

Throughout the program, 45 five-minute student activities are based on powerful concepts behind **The 6 Most Important Decisions You'll Ever Make**. Students can complete the activities independently, or with teacher instruction, making the most of instructional time and providing students with tools to deal with the following important decisions:

School

What are you going to do about your education?

Friends

What type of friends will you choose and what kind of friend will you be?

Parents

Are you going to get along with your parents?

Dating

Will you have healthy dating relationships?

Addictions

What will you do about smoking, drinking, drugs and other addictive stuff?

Self-Worth

Will you choose to like yourself?

For students: A fun and engaging activity guide based on the 6 Decisions.

The Decision Is Yours Activity Guide for Teens

With 45 five-minute activities, *The Decision Is Yours* is flexible enough to fit within any classroom or schoolwide schedule. The activity guide follows a well-researched instructional-design cycle and is simple enough to be completed by students in a self-directed manner. Teachers and administrators have indicated the activity guide is ideal for use in a variety of ways:

- **Daily over a nine-week period.**
- **Two to three times per week over a semester.**
- **One or two times per week over the course of a school year.**
- **At the teacher's discretion within a specified time frame.**

For teachers: A companion guide to enforce the key concepts, facilitate discussion, and measure success.

The Decision Is Yours Annotated Teacher's Edition

This edition further distills the key concepts and offers optional classroom discussion and activity extensions based on the student activity guide. Also included is a Pre-Test/Post-Test and Learning Checklist for student evaluation.

"Even though I'm assigning it as homework, my kids return telling me the 6 Decisions is accessible and interesting. 'Relevant to kids like me,' is what they say. The conversations that come out of this book are crucial and, unfortunately, they're not happening enough. This workbook helps get the discussion going."

– Brad, Teacher
Noble School, Chicago IL

For the learning environment: Set of six posters, each featuring a reflectional question and learning model.

The Decision Is Yours Poster Set

The colorful poster set can be used to create a positive learning environment that encourages personal leadership in your students! They provide strong visual support for the concepts behind *The 6 Most Important Decisions You'll Ever Make*. Each 2' x 3' poster focuses on a decision, poses a question for the student to reflect upon, and presents a learning model.
