PowerTeacher Pro "How To" Add Variable Credits to a Course

1. Click on **A+ Grading** on the left hand side bar in PT Pro. Under **Grades** click on **Traditional.**

2. You should see a column titled **Variable Credits**, under that you should see **Awarded** and **Attempted**. **Awarded** is what they receive, **Attempted** is the maximum credits available for that course. Click in the cell to enter the data, your score pad will open on the right hand side. Enter the credits and submit/save.

Calculation: Total P
