

EXPLORE THE WORLD OF
**HOSPITALITY
& TOURISM**
MANAGEMENT

Earn College Credits in High School!

With a focus on developing your customer service skills, these courses are sure to set you on the right path for choosing a career for your future! Through the below dual credit online course, you will explore the exciting world of the Hospitality and Tourism industry and be well on your way to earning your Hospitality and Tourism Diploma with Olds College!

HAT 2355 - Leisure, Sporting Events and Recreation Operations:

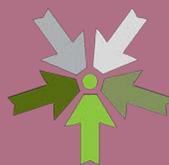

This course provides students with an introductory understanding of the nature and scope of leisure, its role in the hospitality and tourism industry, and the function and structure of leisure providers. Students will have the opportunity to incorporate planning and management concepts to a leisure, sporting or recreation activity in their own community. Wellness tourism and urban recreation trends are also discussed in relation to their economic and social impacts.

Term: Sept-Dec, 2019
