Gradebook Presentation

May 2021

Historic

- Spent a couple of years discussing and exploring automation and Integration (efficiency, reduce or eliminate dual entry, etc)
 - Assessment tool that better fits our needs, responsive and provides increased functionality
 - A product that is PASI compliant, that can meet our needs in the AB context, has educational organization experience
 - Edsembli
 - Services many School Divisions, over 1.7 Million Students mostly in Ontario
 - Has in been in Alberta over a year
 - They purchased the SIS Maplewood and invested in making it PASI compliant
 - Sandbox access will be forthcoming
 - PIA--Data is stored in Canada
-
