

LIVINGSTONE RANGE SCHOOL DIVISION

Supporting Students with Autism Spectrum Disorder

Divisional Professional Learning Session for EAs, CYCWs, FSLCs, Admin Assts, LC Facilitators, Bus Drivers

Maureen Bennie

Maureen is the owner and Director of Autism Awareness Centre & Studio 3 Canada. She is an author and mother of 2 autistic adult children.

Deepen your understanding of Autism Spectrum Disorder and how to effectively support diverse learners. Discover practical research based strategies to support students with regulation while creating predictable, inclusive learning environments where students and staff can thrive.

Staff will deepen their understanding of how strategies for supporting students with Autism Spectrum Disorder align with approaches like Collaborative Problem Solving, SIVA, and The Third Path—each promoting safety, empathy, and co-regulation in the classroom.
